

79 Hargreaves Street Bendigo VIC

Like buried treasure, vacant land on the city fringe is almost impossible to find, which makes this 1002m³ (approx.) lot an exciting opportunity!

A private gated and fenced driveway leads to the secluded, level allotment. The property has all available services and consists of existing sundry shedding and stands of ornamental pear trees.

The land is located a mere 800 metres from the city centre, amid numerous cafes and restaurants and close to local tourist sites including the Bendigo Tramways Museum/Cafe and Bendigo Woollen Mills. The Back Creek walking/cycling path to Lake Weeroona is over the back fence, which makes this property the ideal spot to build
